

THANK YOU

For helping to make our Summer's
Eve at the Lake a huge success

Our annual celebration honoring the many Loon Lake Land Conservancy volunteers was a big success with more than 140 enthusiastic supporters in attendance on Aug. 5. Even the uninvited 20-minute downpour couldn't dampen the enthusiasm at this joyous event that raised more than \$50,000. An anonymous donor generously matched every donation of \$500 or more and that offer is still good for anyone looking to increase the total. Planning is already underway for the next Summer's Eve at the Lake event, which is tentatively set for Aug. 3, 2024.

Donations are used to purchase new wetland, upland properties and conservation easements. The middle section of wetland at Anderson Meadow is now owned by LLC thanks to help from all donors and volunteers. Two more properties in Anderson Meadow need protection as well as wetland areas near the public boat launch.

Thirty acres of upland property near the northwest end of the lake has now been placed in a conservation easement to protect the area from future development in perpetuity. The 30 acres was donated by Randall and Jennifer Hansen, Loon Lake residents who have joined the LLLC Mission to protect and preserve our Lake.

We could use your help on future projects

Trail maintenance

We will call on volunteers to help with LLLC property trail maintenance, including garbage pick up and knapweed control. A knapweed control initiative in a small section in the Anderson Meadow wetland and a few locations in Morgan Wood will continue through 2024.

Centennial Park cleanup

This is an easy and enjoyable way to spend a couple hours with other conservancy volunteers. We could use help with mowing, trimming, raking and pruning. With more hands, work gets done quickly.

Volunteers of all ages help save LLLC more than \$100,000 yearly.

THE LLLC IS AN ALL-VOLUNTEER ORGANIZATION WITH NO PAID STAFF. HUNDREDS OF HOURS ARE DONATED BY BOARD MEMBERS AND MANY VOLUNTEERS THROUGHOUT THE YEAR. YOUR HELP IS GREATLY APPRECIATED. PLEASE JOIN US!
