

Morgan Wood

CLEANUP, OCT. 25, 2025

It was a busy and productive day at Morgan Wood with seven volunteers working for three hours to do some much-needed cleanup. The work was necessary for safety and forest management. At left, Todd Camm takes down one of many deadpool trees. Above, Todd Camm, Samantha McLeod, Larry Gaddis and Jerry Kuntz prepare for the mission. Below, Jen and Ran Hansen and Jerry Kuntz suit up. At bottom, Jen Hansen puts her back into cleanup of a downed tree at the northwest main entrance.
